

9th Annual Fruit Tree Sale

Saturday, January 17, 2009

9:00 a.m. to 2:00 p.m.
@Rice Stadium
entrances noted below

Prepare For the Fruit Tree Sale

This class will review your choice of fruits at the sale, help you decide what to purchase, where you will plant in your landscape and how to care for your fruit trees.

By Ray Sher, Angela Chandler & Heidi Sheesley of Treeseach Farms

Sat Jan 10, noon-2pm or Tues Jan 13, 6:30-8:30pm

Location: Urban Harvest classroom, 2311 Canal St.

To register, call 713.880.5540 or pay at the door.

\$10 all students

Many varieties suited for our climate including:

Tropical Fruit Trees – Avocados, Allspice, Star Fruit, Cherry of the Rio Grande, B-17 Barbados Cherry, Longan, Papaya, Sugar Apple, Dragon Fruit and Grumichama.

Citrus – Lemons, Limes, Satsumas, Oranges, Grapefruit, Kumquats, Limequats, Citron, Pummelos and Tangerines.

And, also – Apples, Peaches, Apricots, Plums, Pears, Jujube, Persimmon, Pecans, Blackberries, Muscadines, Pomegranates, Figs, Blueberries, Olives

Sales benefit Urban Harvest, a local not-for-profit organization supporting a network of urban gardens, farms and orchards that inspire and empower people of diverse backgrounds to grow food in the city.
