

Health Care Coverage for Employees and Associates within Texas

WHEREAS the lack of health insurance coverage for many Texans who are employed but not offered adequate health coverage increases health care costs for all Texas residents; and

WHEREAS large companies such as Wal-Mart make huge profits at the expense of their employees by not providing adequate health benefits; be it therefore

RESOLVED, that this precinct urges the Texas Democratic Party to support a State law:

That requires organizations with more than fifty employees within the State of Texas to spend at least 8 percent of their payroll on health benefits or put the equivalent amount of money directly into the Texas State's health program for the poor.
