About Roy Zimmerman

Roy Zimmerman took his satirical songs to Real America last year, driving 12,000 miles and flying 12,000 more to do 107 shows in 47 states before the election.

Some have wondered if political comics will have a harder time without the easy target of the Bush administration. Zimmerman isn't worried. "Already Obama has a plan to put 2.5 million Americans to work taking down those Ron Paul signs," he says.

"And Ann Coulter is giving fashion advice to Michelle Obama. Irony lives!"

The Los Angeles Times says, "Zimmerman displays a lacerating wit and keen awareness of society's foibles that bring to mind a latter-day Tom Lehrer."

His songs are heard on NPR, Air America and Sirius Radio. His YouTube videos have garnered over two million views and tens of thousands of comments, many of them coherent.
